Children are at the heart of everything we do and Christ is the light that guides us.

John 8:12

Harvest

It was wonderful to welcome so many families and friends into church to celebrate Harvest with us. We were so proud of our children for their beautiful singing, poems and prayers. Thank you to our Head Students who wrote their part in our worship and led the service with confidence and clarity. A very special mention also to our superb Owls for their first church worship in front of other classes and parents, we loved your poem! Many thanks for your kind contributions to our local food bank, all items were greatly received and will make a big difference to many local people. Thank you as always to Vicar Andrew for welcoming us into church and for your blessings and participation in school life. Thanks also to Mrs Rice for ensuring we all really enjoyed the morning!

School Grounds

I am thrilled that thanks to the incredible donations from the PTA and other school funding that we have completed the playground improvement work we started last year. We have a new quiet area on the playground full of benches and a lovely surface to both look at and play on. The playground has been cleared of obstacles so we can have football all year round which is so important to us and we have finally created a very special area on the courtyard to use throughout the school day. Not only does it look great, but it is lovely to use, as Daisy and I discovered when we gave the obstacle course a test run on Monday! Your donations to school make such a difference and I can't thank you enough! All leftover grass was kindly put down in the reception outdoor area to go alongside their new water wall!

Sports News

On Tuesday, our Year 4 football team visited Rudheath Senior Academy for a tournament. 'When we arrived, we practised our passing skills and sprinting. Then, we played two matches. In the first match we won 2-0 and then 6-1 in the second match! We are proud of ourselves for showing courage and teamwork during our play and for being respectful to the other the teams by shaking their hands after we played.'

World Mental Health Day – Tuesday 10th October

It is always great to celebrate world events and I'm thrilled that our children took part in activities to raise the importance and awareness of mental health. What I will say is that we try and make every day at Lostock about supporting mental health. Mrs O'Marah is our lead practitioner and Mrs Hoskins is a Drawing and Talking therapist as well as Elsa support. If you feel **you or your child** is struggling there are so many things we can do to help, please mention it to us via email or when you see us around school. You are not alone, and we are here to support you.

Special Educational Needs (SEN)

This weekend Mrs O'Marah and I will be attending the SEN annual conference in London. This aspect of education is always in the news, and we are hoping to speak to national experts and see the very latest resources for ourselves, we cannot wait to share what we have learnt with you in the next few weeks and hopefully have a positive impact on all our children.

Remembrance Day

To celebrate Remembrance Day this year, we'd like to make a poppy out of red and green reused plastic milk bottle lids. Please send any that you have into your child's class teacher and together, we'll make a school poppy to commemorate this special national event.

PTA News

It's pumpkin season and our PTA have organised a fun pumpkin carving/decorating competition for the children. Pumpkins will be on sale after school on Monday 16th October for £2.50 (only one pumpkin per child please). The children can then take them home, work their creative magic on them and bring them back to school on Friday 20th October for judging. There will be a winner in each class. Get involved! 🎃 This event has been very kindly sponsored by Richie Clayton (parent in Starlings) of M2M Data Connect - THANK YOU!

PTA Harvest Raffle

Thank you for supporting our harvest raffle and helping us raise money to give the children the very best experiences while they are in school.

Lost Property

We have already gathered a lot of lost jumpers and hoodies since the start of term which have no names in them. Please can you have a look on the bench outside the entrance to KS2 if your child has lost their jumper or hoody to see if we can return any of them to their owners!

Thank you for your support with this!

Message from Public Health

Below is a link offering advice to parents from the UK Health Security team. It's explaining how things we can do to help slow the spread of seasonal illnesses and avoid unnecessary absences. The article covers the role of healthy hygiene habits, vaccination, spotting the symptoms of common illnesses, and how to make informed decisions on whether a sick child is well enough to attend school.

Very Green Grocery Northwich (formally the Cheshire Food Hub)

Click [here](#) to follow on Facebook – it really is worth it as they offer an incredible service!

Here's some more information about what they offer:

We're a not for profit organisation with **the primary aim of reducing food waste.**

Supermarkets and shops donate food that is just passed its best, but hasn't yet reached its use by date. The supermarkets can no longer sell it and it would otherwise go to landfill. It's still in great condition and absolutely fine to eat.

There is always a fantastic selection from each supermarket section – tinned foods, pasta, vegetables, fruit, salad, potatoes, meat, dairy, cereals, eggs, pastries, bread, toiletries.

Regular food donations from Waitrose, Asda, Morrisons, Tesco, Aldi, Greggs, Lidl, Co-op. All of the money taken on the door goes straight back into the grocery. This means we can buy items in bulk. **Open to absolutely everybody, regardless of where you live or your financial situation.** So you can help save the planet at the same time as saving yourself some money. Just turn up on the day with £4 and your shopping bags.

Worship

Our children led a fabulous Harvest worship in church this week. We welcomed many new and existing families and friends into church to celebrate with us as we thanked God for his beautiful world.

Y6 quote - "I loved being able to write our own poem and performing this in front of our families. We all contributed our thoughts about the importance of Harvest."

Y3 quote - "I loved singing in front of my mum and dad. It was special to be in church."

Reception quote - "I had fun in God's house. We said thank you to the farmers for our food."

Praise children for fantastic work

Owls (Reception)	Ava	For sharing your joy during our Harvest service. Ava showed such courage performing our harvest song with a HUGE smile! What a superstar.
Starlings (Y1)	Skyler	For her joy and perseverance. Skyler lets her light shine in all that she does. Well done Skyler.
Swallows (Y2)	Martha	For friendship, kindness, joy and wisdom. You are a pleasure to have in class.
Robins (Y3)	Peggy	For the constant Joy and Wisdom that she brings to our learning in class. She has wowed us this week with her creative writing!
Goldfinches (Y4)	Ethan	For showing joy and gentleness at the football tournament this week. Well done Ethan!
Skylarks (Y5)	Freddie	For showing wisdom and perseverance during our English lessons this week. Freddie wowed us with his recount writing. Well done!

HOLIDAYS IN TERM TIME

Pupils are discouraged from taking holidays in term time unless there are exceptional circumstances. It is very rare that any holiday would be authorised. Good attendance is key to pupils making good progress and taking time out to go on holiday can significantly hamper progress. Where a holiday is unauthorised the LA is informed. A Fixed Penalty Notice will then be issued in accordance with section 444 of the Education Act 1996. The current rates payable by parents are £60 where the amount is paid within 21 days and £120 where the amount is paid within 28 days. The charge is per parent/carer per child. If the Fixed Penalty Notice remains unpaid this could lead to prosecution in the Magistrate's Court.

For the DfE statutory guidance on school attendance please click on the following link:

Attendance

Attendance is crucial for all children in order that they will achieve and is monitored closely by school. We are always happy to help any families who are struggling for any reason. Emily Leather our family support worker is in school Monday, Tuesday and Friday and is always keen to help.

“Central to raising standards in education and ensuring all pupils can fulfil their potential is an assumption so widely understood that it is insufficiently stated – pupils need to attend school regularly to benefit from their education. Missing out on lessons leaves children vulnerable to falling behind. Children with poor attendance tend to achieve less in both primary and secondary school.” School Attendance DfE May 2022

If your child is ever unwell, please do let us know the reason for the absence by 8:45am on 01606 668270 (a message can be left on the school answer phone).
