

Anti-Bullying Awareness Week 13.11.17

Well done to the School Council for preparing and delivering an assembly on Anti-Bullying.

They shared this year's national theme:

All Different

All Equal

The School Council delivered a clear message about what bullying is: and how we can prevent it:

What is Bullying?

We can define this as...

What if you are bullied?

You should also Stop and ...

All children were given an 'All Different, All Equal' wrist band and have had further lessons within their own classes.

Finally, the councillors set the whole school a task carrying out and recording little acts of kindness towards one another.
