## Before and After School Care

Children are at the heart of everything we do and Christ is the light that guides us. [John 8:12](#)

### **Physical and mental wellbeing are at heart of Fun Foxes enrichment**

#### **Mornings at Fun Foxes**

- Please ring the bell and enter via the main school door.
- The children can then take part in a structured physical activity with a qualified sports coach, a craft activity or some free choice.
- For some children leaving parents can be a challenge; our ELSA trained staff have all the skills required to ensure that children age 4 to 11 can be supported in their wellbeing and have time to understand themselves. If they need one to one or group work, we can provide this in our enrichment facility.
- The whole group including staff will get ready for the day with a 10 minute wake up and shake up activity which will prepare them for the day ahead!
- Our staff are all Early Years trained. During every session there will be activities designed to meet the curriculum needs of our youngest pupils. Any assessments made will be built into their Tapestry learning journey.
- Staff will take children directly to their classes for the start of the day.

#### **Fun Foxes 3.15-4.30pm**

- Owls and KS1 children will be brought to Fun Foxes by a member of staff and will be registered.
- KS2 children will take themselves to Fun Foxes and be registered.
- Every class will have a list of Fun Foxes children which is updated on a daily basis. Children are reminded that they are attending Fun Foxes, as part of the end of the day routine.
- All coats, bags and lunchboxes will be brought by the child to Fun Foxes.
- Every child will have a biscuit, drink and fruit.
- Every child will have the opportunity of completing the “Activity of the day” – this can be anything from craft to cookery. All children will have a say in the planning of these activities.
- Every child will have the option of completing their homework or doing their school reading or learning log with staff support.
- Craft activities will be available at all times.
- Every child will have the opportunity to take part in the first PE session; this could be dodge ball or tag rugby and will be led by Mrs Bateman.
- If your child is at a school club, they will be brought to Fun Foxes by the staff member running the club.

#### **Fun Foxes 4.30-5.45pm**

- There will be a second sports session to include a dance activity or other sport.
- There will be further opportunities for a craft activity or one of the following:
