Double consonants noughts and crosses game.

The younger player goes first. Throw 2 dice. Use numbers on the dice to find your word on the board. Use this word to create a new word by adding the suffix (ending), write the new word in your chart, mark this field as yours (you can use a counter or circle/cross).

Now it is your opponent's turn.

Play until one of you gets four in a row.

Your name:								Your opponent's name:
		1	2	3	4	5	6	
Your words: 	1 - y	sun	fun	skin	рир	dad	mum	Your words:
